# Pushpanjali **MEDICON2025**

National Conference on "Empowering Healthcare Excellence Across Communities"

**Sunday, 7th September 2025**

The Leela Ambience Convention Hotel, Delhi

Organised by

 **Pushpanjali Medical Education & Research Centre**  
(A Unit of M M Healthcare Limited)

*An Academic Carnival*

# *Driving the Vision of Academic Excellence Forward*

*Pushpanjali Medicon 2025 has yet again reinforced our commitment to fostering academic brilliance and clinical collaboration. This year's conference surpassed expectations, uniting the medical fraternity from across India on a platform that celebrated knowledge, innovation, and unity. The overwhelming participation from specialists, postgraduates, and young clinicians reflected the growing influence of this academic movement that began as a modest idea and has now evolved into one of the nation's most awaited conferences.*

*Our journey to Medicon 2025 was paved with several landmark initiatives—the nationwide online quiz series, and hands-on pre-conference workshop that saw optimal participation. Each event symbolized the strength of collective effort and the spirit of lifelong learning. The Pushpanjali MEDICON conference with over 2,500 delegates, 70 national speakers, 02 International Speakers and 72 sessions, has raised the bar for academic events yet again.*

*This success is a reflection of every member's dedication, from our organizing team to our partners, faculty, and attendees. My deepest gratitude goes to Dr. Ashok Grover, Dr B K Gupta, Dr. RPS Makkar and the entire organising team for their relentless commitment and to our Scientific Committee for curating a program that was both contemporary and insightful.*

*As we close another inspiring chapter, I look forward to carrying this legacy forward—strengthening our mission of Empowering Healthcare Excellence. Together, we shall continue to build a future where learning and compassion remains the cornerstones of healthcare.*

*Best wishes,*

***Dr. Vinay Aggarwal***

*Chairman & Managing Director – M M Healthcare Ltd.*

*Past National President – Indian Medical Association*

*Recipient of BC Roy National Award*

*Recipient of IMA Dr. AKN Sinha National Award*

# *A Journey of Commitment, Collaboration, and Celebration*

*Pushpanjali Medicon 2025 marks yet another milestone in our ongoing journey of academic and clinical excellence. This year's event stood as a shining example of what collaboration and vision can achieve when backed by hard work and passion. With over 2,500 delegates, 70 national speakers, 2 International Speakers and 72 sessions, spanning every major specialty and super specialty, the conference emerged as one of Delhi-NCR's largest medical gatherings.*

*The journey began months ago with our signature pre-conference activities including online quiz competitions that engaged hundreds of energetic minds and the highly successful ACLS-BLS workshops with 200+ Delegates, which offered hands-on learning to hundreds of participants. Each initiative was a step toward creating an academically enriched and socially responsible community.*

*The success of Medicon 2025 belongs to every individual who contributed with sincerity—our faculty, delegates, partners, and the dedicated Pushpanjali family. Their collective energy transformed this conference into a grand celebration of knowledge and unity.*

*My heartfelt thanks to our guiding force, Dr. Vinay Aggarwal, for his inspiring leadership, and to Dr. BK Gupta, Dr. RPS Makkar and the entire team for their unwavering efforts. Together, we have not only sustained but strengthened the legacy of Pushpanjali Medicon as a symbol of medical excellence.*

*With gratitude and pride,  
Dr. Ashok Grover  
Organising Chairman,  
Pushpanjali Medicon 2025*

## *An Academic Feast That Redefined Learning*

*Curating the scientific program for Pushpanjali Medicon 2025 has been an inspiring experience—one that truly celebrated the spirit of continuous medical learning. Under the visionary guidance of Dr. Vinay Aggarwal and the dynamic leadership of Dr. Ashok Grover, this year's conference brought together 70 national speakers, 2 International Speakers, 72 sessions and more than 180 chairpersons, creating an unparalleled platform for academic exchange.*

*Each specialty session—from Medicine and Cardiology to Orthopaedics, Gynaecology, and Emerging Technologies—was designed to address both current challenges and futuristic innovations in healthcare. The orations and guest lectures were among the most enriching aspects, with thought-provoking discussions on patient safety, AI in medicine, and advances in minimally invasive and robotic procedures.*

*The enthusiastic participation of thousands of delegates reflected the trust and respect that the medical fraternity holds for this platform. What truly made Medicon 2025 special was its multidimensional approach—blending evidence-based updates with ethical reflections, technological innovation, and inter-disciplinary collaboration.*

*I extend my heartfelt appreciation to all the speakers, moderators, and delegates whose participation made this scientific endeavor so rewarding. My gratitude also goes to the organizing team and the staff of Pushpanjali Medical Centre for their flawless coordination and commitment to quality.*

*May this spirit of learning continue to inspire us as we look forward to even greater heights in the years ahead.*

*Warm regards,*

**Dr. RPS Makkar**

*Chairman, Scientific Committee, Pushpanjali Medicon 2025*

# *Medicon 2025: Strengthening Our Academic Legacy*

*It gives me immense pleasure to share this message as we conclude yet another remarkable chapter of Pushpanjali Medicon. The 2025 edition of this academic celebration has truly reinforced our collective belief that when dedication, teamwork, and vision come together, extraordinary outcomes follow. This year's conference witnessed unprecedented participation from clinicians, postgraduate students, faculty, partners, and delegates from across the country, making it one of the most vibrant academic gatherings in recent years.*

*As an Executive Secretary, it was an honour to be part of a journey that spanned months of preparation—beginning with the exciting quiz competitions, and our deeply enriching pre-conference workshop. The ACLS-BLS workshop received an overwhelming appreciation, with participants applauding the hands-on learning experience and the expertise of our faculty. These initiatives set the perfect foundation for the grand success of the main conference.*

*Medicon 2025 has upheld its tradition of delivering high-quality scientific content. The multi-speciality sessions, thought-provoking orations, and interactive panel discussions created a dynamic environment for learning and collaboration. The enthusiasm of delegates in every hall—from the early morning sessions to the final lectures—reflected the growing trust and reputation of Pushpanjali Medicon as a premier academic platform.*

*I extend my heartfelt gratitude to our visionary leader, Dr. Vinay Aggarwal, for his guidance and to our Organising Chairman, Dr. Ashok Grover, for his unwavering support. My sincere appreciation goes to the Scientific Committee, session coordinators, volunteers, partners, and every member of the Pushpanjali family who worked tirelessly behind the scenes.*

*As we celebrate the success of Medicon 2025, let us carry forward this spirit of learning, unity, and excellence. I look forward to many more milestones together.*

*Warm regards,*

**Dr. Manish Kumar**

*Executive Secretary, Pushpanjali Medicon 2025*

## *Bringing Minds Together, Building Memories Forever*

*Dr. Karun Jain  
Organising Secretary  
Pushpanjali Medicon 2025*

*Dr. Kumar Gandhi  
Organising Secretary  
Pushpanjali Medicon 2025*

*Pushpanjali Medicon 2025 has been a fulfilling culmination of months of dedication, teamwork, and passion for learning. Seeing thousands of delegates, faculty members, and young doctors participate with such enthusiasm has been the most rewarding part of this journey. Every hall resonated with energy and engagement as knowledge flowed freely across sessions, panel discussions, and interactive workshops.*

*This year's scientific sessions explored a remarkable range of topics—from cutting-edge medical technologies to ethical dilemmas faced in clinical practice. The special session on Medical Ethics and Law stood out as an eye-opener, while workshop on critical care ACLS-BLS Workshop received immense appreciation. The trade exhibition, too, was a vibrant space, connecting innovators, clinicians and healthcare partners.*

*We are deeply grateful to our mentors—Dr. Vinay Aggarwal and Dr. Ashok Grover—for their guidance, and to Dr. RPS Makkar for leading an extraordinary scientific team. To our dedicated volunteers, coordinators, and partner organizations—your contribution has been invaluable in shaping the success of Medicon 2025.*

*As we close this edition, we carry forward countless memories, new friendships, and renewed inspiration to continue learning and serving better. Thank you to everyone who made this celebration of healthcare excellence possible.*

# *Pre-Conference Workshop on ACLS-BLS Shines at Medicon 2025*

## *Empowering Clinicians with Lifesaving Expertise*

The ACLS Pre-Conference Workshop at Pushpanjali Medicon 2025 witnessed an outstanding response, with hundreds of delegates participating in a day of immersive, hands-on training. Conducted by an expert faculty team from the Life Saver Association under the leadership of Dr. Rakesh Kumar (Ex-Director Professor, Department of Anesthesiology & Critical Care, Maulana Azad Medical College MAMC & Lok Nayak Hospital) and supported by the organising committee, the workshop delivered structured simulations, airway management drills, and real-time guided learning.

The enthusiasm and active engagement of participants highlighted the growing significance of emergency preparedness in modern clinical practice. The workshop not only strengthened critical care competencies but also enhanced teamwork, communication, and confidence among attendees.

This high-impact academic initiative once again reaffirmed Pushpanjali Medicon's enduring commitment to advancing lifesaving skills across the medical fraternity.

# Online Quiz Competition

## Inspiring talent through vibrant and engaging quiz rounds.

The Medicon 2025 Quiz Competition received an overwhelming response, with enthusiastic participation from postgraduate students, young clinicians, and practicing doctors across multiple specialties. Conducted through a series of engaging rounds, the quiz fostered healthy competition, rapid clinical thinking, and collaborative learning. Participants showcased impressive knowledge while the audience enjoyed an exciting and interactive academic experience. The event recognized outstanding performers with awards and appreciation, celebrating both excellence and participation. The quiz series has now become a signature feature of Pushpanjali Medicon, inspiring young minds and adding a vibrant, intellectually charged dimension to the

## *Memorial Oration & Lecture*

Pushpanjali Medicon 2025 showcased a rich tapestry of academic excellence through its distinguished orations and guest lectures, making this year's conference truly memorable. The Dr. Shekhar Agarwal Oration, Dr. M.M. Aggarwal Memorial Oration, and Dr. J.K. Jain Memorial Oration stood out as intellectual landmarks, offering profound insights into evolving medical practice, ethics, and patient safety. Complementing these were several high-impact guest lectures delivered by eminent leaders from diverse specialties, each bringing cutting-edge advancements and thought-provoking perspectives to the scientific platform. These sessions not only elevated the academic depth of the conference but also reaffirmed Pushpanjali Medicon's commitment to fostering meaningful dialogue and inspiring excellence across the healthcare fraternity.

# Pushpanjali Medicon 2025

## Empowering Healthcare Excellence Across Communities

Pushpanjali Medicon 2025, held on 7th September with accreditation from the Delhi Medical Council, marked its fourth successful edition and continued to uphold its reputation as a premier medical academic event. With over 2,500 delegates and more than 300 faculties & over 70 expert speakers, the conference delivered a day of rich scientific learning and multidisciplinary engagement.

The three prestigious orations-by Dr. Amitava Gupta, Dr. Vijay Agarwal, and Dr. R.V. Asokan-offered valuable insights into clinical ethics, technological transformation, and patient safety, setting a strong academic tone for the event. The participation of distinguished international faculty from the USA, including Dr. Terrance Khastgir and Dr. Amitava Gupta, added a global dimension to the conference and further the conference tone enhanced with the depth of specialty sessions across the

internal medicine, cardiology, orthopaedics, neurology, nephrology, women's health, gastroenterology, oncology, pulmonology, ENT, ophthalmology, psychiatry and medical ethics.

A dynamic trade exhibition featuring over 130 stalls further enriched the conference by showcasing cutting-edge innovations in diagnostics, medical devices, hospital technologies, pharmaceuticals, and even the automobile sector, offering delegates valuable hands-on exposure to emerging tools and solutions shaping the future of healthcare. Pushpanjali Medicon 2025 reaffirmed its status as a premier platform for learning, collaboration, and professional growth, embodying the spirit of 'Empowering Healthcare Excellence.'

## Banquet Dinner

### *An evening of celebration, togetherness, and shared achievements*

The Post-Conference Banquet Dinner was a warm and memorable gathering that brought together faculty, delegates, and the organising team to reflect on the day's success. It offered an opportunity for relaxed conversation, renewed connections, and celebration of collective achievement. Amidst an elegant setting and gracious hospitality, attendees enjoyed a delightful spread of cuisine and an atmosphere filled with camaraderie. The evening served as a fitting conclusion to a remarkable academic event, honouring the dedication of everyone involved in making Pushpanjali Medicon 2025 an extraordinary experience. It truly encapsulated the unity and collaborative spirit of the Pushpanjali family.

## *Musical Evening*

### *Melodies, rhythm, and joy lighting up the Medicon night.*

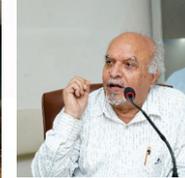

The Musical Evening at Pushpanjali Medicon 2025 added a vibrant and joyous dimension to the conference experience. With soulful performances and dynamic musical acts, the evening provided a perfect balance to the academic intensity of the day. Delegates, faculty members, and guests enjoyed a lively atmosphere filled with melodies, rhythm, and celebration. The event encouraged informal bonding and created cherished memories among participants. It was an expression of gratitude to the medical fraternity—honouring their dedication through an evening of relaxation and togetherness. The Musical Evening beautifully complemented the conference, making Medicon 2025 truly unforgettable.

# *Incredible Seniors Meet*

*Celebrating generations that shaped the medical community.*

The Incredible Seniors Meet was one of the most heartfelt highlights of Pushpanjali Medicon 2025, bringing together eminent senior members of the medical fraternity to celebrate their remarkable contributions. The gathering honoured decades of service, wisdom, and leadership that continue to inspire younger generations. Thoughtful conversations, warm interactions, and shared memories created a deeply nostalgic yet uplifting atmosphere. The event reaffirmed Pushpanjali's enduring respect for senior clinicians whose guidance forms the foundation of our academic strength. The Seniors Meet stood as a beautiful tribute to experience, legacy, and lifelong commitment to healthcare excellence.

# Reviews

What an inspiring and memorable event it was, beautifully created under the visionary mentorship of Dr. Vinay Aggarwal Sir. Heartfelt congratulations to the entire team whose dedication and tireless efforts turned today's program into such a grand success. I am truly grateful, Sir, for giving me an opportunity to contribute and be a part of this remarkable journey.

Dear All,  
An event by PMC and IMA EDB yesterday was historical in many ways. The attendance, content, hospitality, faculty, and personal attention to all delegates were immaculate.

Such a large-scale event can be conceptualized by only one leader in India, and that is Dr. Vinay Aggarwal. Kudos to his leadership and teamwork. It has become a trademark of his capability to organize such a big program.  
Congratulations to all.

Fraternity Without Borders Pushpanjali Medicon 2025 is exactly that. It was not just another conference. Yes, the best medical teachers were present. The academic feast it offered is perhaps the best in recent memory. The finest technology was on display, with over 2000+ footfall, impeccable time management, and a huge industry presence. Yet, what it truly achieved was beyond academics and optics. Its real achievement reflects the man behind the wheel—Dr. Vinay Aggarwal, the legendary leader of the medical profession, a master at blending and bringing people together. Pushpanjali is a tool in his hands to unite the fraternity under one roof. That he and his thoroughly professional team executed it with such finesse is a lesson in leadership and management. In the process, everyone gained the best update and experience. Management schools could dissect the meticulous, multilayered preparations, and political pundits could debate the impact endlessly. From every perspective, Pushpanjali Medicon stands as a classic—leaving its footprints in the sands of time.
