Pushpanjali MEDICON 2026

Sunday, 27th September 2026
The Leela Ambience Convention Hotel, Delhi

Organised by

Pushpanjali Medical Education & Research Centre
(A Unit of M M Healthcare Limited)

MESSAGE

It gives me immense pleasure to welcome you to **Pushpanjali Medicon 2026**, to be hosted by Pushpanjali Medical Education & Research Centre (A Unit of M M Healthcare Limited). The conference will be held on **Sunday, 27th September 2026**, at **The Leela Ambience Convention Hotel**, 1 CBD, Maharaja Surajmal Marg, Near Yamuna Sports Complex, Delhi 110032. Over the years, this event has grown into a distinguished academic and healthcare carnival, becoming a landmark gathering for the medical fraternity of Delhi-NCR and beyond.

Since its inception, Pushpanjali Medicon has been envisioned not merely as a medical conference, but as a vibrant, multidisciplinary platform that nurtures education, collaboration, innovation, and community outreach. This vision has continued to evolve, and in 2026, we are proud to expand its scope even further.

This year's Pushpanjali Medicon promises a thoughtfully curated blend of scientific knowledge, skill enhancement, and community engagement, all designed to create a lasting and meaningful impact. Pushpanjali Medicon 2026 will also feature a hands-on workshop on ACLS-BLS training, to be conducted by American Heart Association instructors from Life Savers Association, reinforcing our commitment to practical learning and life-saving skills.

One of the major highlights of the conference will be its prestigious memorial orations. Dr. J. K. Jain Memorial Oration will be delivered by **Dr. Vedprakash Mishra**, National Head of the Academic Programme of Indian Programme UNESCO Chair in Bio-Ethics, Haifa, on the topic "Future of Medical Education in India." Dr. M. M. Aggarwal Memorial Lecture will be delivered by **Dr. Shekhar Sheshadri**, renowned Professor of Child and Adolescent Psychiatry and presently Professor at Azim Premji Foundation, Bengaluru, on "Parenting: The Art and Science of Nurturing."

The scientific sessions at Pushpanjali Medicon 2026 will span a wide spectrum of specialties, including Nephrology, Internal Medicine, Neurology, Cardiology, Orthopaedics, Gastroenterology, Obstetrics and Gynaecology, Oncology, Paediatrics, Urology, Pulmonology, ENT, Medical Ethics and Psychiatry etc. This diversity reflects our core philosophy—that excellence in healthcare emerges from both depth of expertise and breadth of perspective.

Special guest lectures, including "From Small Bubbles to Small Molecules: A Journey of Drug Discovery" by **Dr. Sanjiv Kaul**, MD (Ernest C. Swigert Endowed Chair in Cardiovascular Medicine; Professor of Medicine and Radiology, Knight Cardiovascular Institute, Oregon Health & Science University, USA), along with other insightful sessions, will be delivered by stalwarts from their respective fields, offering rich and engaging learning experiences for all participants.

I extend my deepest gratitude in advance to our speakers, delegates, sponsors, volunteers, and the organizing team for their unwavering commitment and dedication. Your collective efforts continue to transform Pushpanjali Medicon into not just an academic conference, but a meaningful movement towards advancing healthcare and medical education.

We look forward to welcoming you to Pushpanjali Medicon 2026—a celebration of knowledge, compassion, and collaboration.

Wishing you all a rewarding and memorable Medicon 2026.
